The Vow, Techno

> Two gates, one door — {-1} refuse the old hurt, {0} rest in the between, {+1} affirm the yes.
> A marriage is a lattice: every crease a decision, every decision a room. Take the room. Again.

A Bodhicitta Blessing

May you two be happy. May you two be free from suffering — and may the happiness you find overflow, so that no being is left outside the room. For a wedding is only a wedding until it becomes a bodhicitta: the wish, made real, that everyone wake up loved. Whoever you were, whoever you will be — for alex and for chris: the light stays on. Sharing is caring.
